

Topic: Discovering one's hobbies and passions

Activity

Goal/Aim	The activity will allow you to reflect about your community and benefits of hobbies and passions for social cohesion.
Duration	approximately 30 minutes
Objectives	<ul style="list-style-type: none">- To be aware of the activities that we can find in our community- To do a Power Point presentation with main ideas- To express themselves orally and using digital tools
Needed materials	Computer with Power Point, projector.
Instructions	<p>Trainer will explain the importance of practice hobbies and passions in a collective way, not only individual.</p> <p>Trainer will ask each participants to do a short presentation using Power Point with the following elements:</p> <ol style="list-style-type: none">1. Where do I live? A short description of neighborhood/town/city and how is the daily life there.2. Which hobby do I practice?3. Which hobbies and activities can I find in the place where I live? Can I practice my own hobbies there?4. Which activities would you like to implement in your local community? What would be the benefits of these activities for the local community? <p>After individual work, each participant will share his/her own presentation and will explain the content.</p>
