

Topic: Search for a cultural event

Activity

Goal/Aim	This activity will focus on the situation when we physically go out for culture. Our device, which is connected to the Internet, can interestingly diversify our journey for culture
Duration	approximately 45 minutes
Objectives	<p>Find out how to easily get more interesting information, how to have everything more intense and interactive.</p> <p>Find out what basic skills and knowledge are necessary so that we can enjoy everything more.</p> <p>Get answers to the following questions:</p> <p>What devices will be suitable for a journey of culture outside our home?</p> <p>How to prepare your device?</p> <p>Is it appropriate to equip our device with a tool or application?</p>
Needed materials	Smartphone / tablet / computer / laptop / eReader with internet connection
Instructions	<p>Give participants enough time to discuss the following question: What device should be with you if we travel personally for culture?</p> <p>Share the answers so that all groups can hear the answer.</p> <p>Find answers to the following questions:</p> <ol style="list-style-type: none">1. How can additional and interactive information for visitors be prepared in the museum / theater / exhibition, etc.?2. Can we go back to the information?3. Is it difficult to access this information? <p>Give participants enough time to discuss each issue.</p> <p>Then give each group a prepared QR code (each group will have a different code). Familiarize groups with the use of QR codes. Let the groups test their codes. Let them present the results to all the groups.</p> <p>We will then find the answers to the following questions:</p> <ol style="list-style-type: none">1. Is the QR code interesting for you?2. Will you look for QR codes? <p>Summarize all the important conclusions.</p>
